### New Procedures for 2020

Coaches will be responsible for packet pick up under the white tent:

Runners will finish each race into an open area beyond the finish line. The coaches are responsible for the collection of all chips.

Upon the completion of all of your teams races (shortly after) coaches must turn in all chips and have them accounted for at the white tent: From there, we will hand you a packet with all awards earned by your team throughout the day.

We will not have an award ceremony or hand out individual awards in the chute this year.

Teams with missing chips will be billed \$10 for each missing chip. Please be diligent in the handling of chips.

A Tip- Upon your team packet pick up, you may hand back the chips of the runners who are no shows, before your day begins. This is very helpful to all involved in the process.

Directors Note: Despite the challenging year, it is our mission to simply try our best to offer the young runners of Section V the opportunity to compete and have fun! Please don't hesitate to contact Todd Stewart (meet director) with any questions at [tstewart@mcquaid.org](mailto:tstewart@mcquaid.org) phone - 256-6162.
