

INFORMATION ON MOTELS/HOTELS FOR MCQUAID INVITATIONAL

Updated to June, 2019

Of the many locations available in the Rochester area, we have selected ones that are most convenient to Genesee Valley Park on the southwestern fringe of the city. Most of these motels/hotels are within 15 minutes of the park, some as close as 5. We've listed the local numbers; to get your best rate, ask for group sales or the manager. There's a double asterisk next to those places that have offered low rates in the past. Be sure to mention the McQuaid Invitational. To help you in choosing, we've put the locations in three geographical clusters.
