

BOYS TEAM CHAMPIONS (1965 - 2019)

For the first three years, one varsity race was sufficient. As our entries grew, we tried different formats, based on school size and/or team strength. The 10th meet began our present format of three divisions by size, with seeded & unseeded races in each. Presently, we have 7 varsity boys races, 3 seeded and 4 unseeded.

GIRLS TEAM CHAMPIONS (1973-2019)

Cross-Country wasn't a girls sport when our meet began in 1965. Only 5 schools ran in the first girls race in 1973. In 1978, we began running 2 divisions and, except for 1983, stayed with 2 until 2001, when the number and quality of girls teams dictated three divisions. Today, we have 6 Girls Varsity races, 3 seeded, 3 unseeded.
